Authorization

1. The undersigned ("Customer") authorizes Carver Federal Savings Bank ("Carver") to automatically withdraw and transfer funds electronically from the Account (listed above) to credit the Loan or LOC (listed above) in the Transfer Amount at the time and frequency as indicated above (hereinafter "Transfer") and to charge the Account for the Transfer Amount. Customer understands that the Transfer and the Account will be subject to any applicable laws, rules, and regulations, including, but not limited to, any applicable operating rules of the National Automated Clearing House Association. Except as required by applicable law, Customer understands that Carver will not provide prior notice of the Transfer. Carver will accept a facsimile of this Authorization. Customer understands that this Authorization does not change the terms of the Loan or LOC.
Customer has checked the Account number, bank routing number and other information on this Authorization with extraordinary care and certifies that the information provided is true and accurate and that no other party needs to authorize the Transfer.
2. **Transfer Amount:** Customer understands and agrees that each transfer of funds will be for one periodic payment, including any Additional Principal provided above (the "Transfer Amount") until the Authorization is cancelled, changed, or the Loan or LOC obligation is paid in full (except with regard to the final payment as described above and, in your Payment Schedule,). Customer understands that the periodic payment, and thereby the Transfer Amount, may differ from any of the previous Transfers due to late charges, insufficient funds fees, escrow changes, interest rate changes for variable rate loans or lines of credit, and any other amount required under the terms of the Loan or LOC. The Transfer Amount will not include any past due payments which remain outstanding at the time the Authorization becomes effective. Customer understands and agrees they are responsible for any payments which remain due and owing prior to this Authorization becoming effective.

3. **Transfer Date:** Customer understands and agrees that Carver will initiate the transfer of funds on the date provided above (the "Transfer Date"). If the Transfer Date falls on a weekend or holiday, Customer authorizes Carver to choose to initiate the transfer of funds on the next business day following the weekend or holiday. Customer acknowledges that choosing a Transfer Date after the payment due date, or during the Grace Period, may incur additional fees and late charges, as described in the terms of the Loan or LOC, and may trigger late notices. Customer understands and agrees that Carver may not consider a regular payment to be paid until funds have actually been received by Carver. Customer acknowledges that Carver will not initiate the transfer of funds if the loan is 30 days or more delinquent.
4. **Overdrafts:** Customer will ensure that the Account or any ancillary products or services have adequate funds to cover the Transfer. Customer understands that there are circumstances in which Customer's Account declines a Transfer request by Carver, for example if there are not adequate funds in the Account or any ancillary products or services associated with the Account to cover the Transfer and Carver may charge Customer any applicable insufficient funds fees. If the Transfer is declined by Customer's Account, Carver may, but is under no obligation to, continue to attempt to make the Transfer until successful. Customer understands that Carver may unilaterally and with no prior notice, cancel this Authorization if Customer fails to maintain adequate funds in the Account to cover the Transfer. Customer understands and acknowledges responsibility to pay any associated overdraft fees and costs relating to the Transfer.
5. **Liabilities and Expenses:** Except to the extent prohibited by applicable law, Customer must pay any liabilities, fees, costs or expenses Carver or Customer's Account incurs with the Transfer.
6. **Cancellation of Automatic Transfers:**
 - 1) Customer may request cancellation of automatic transfers as follows:
Call Carver at 212-360-8880 or tollfree at 1-844-201-1171, visit your local branch or send the request in writing to:
Carver Federal Savings Bank, Attn. Loan Operations, 1825 Park Ave – 7th FL, New York, NY 10035
The cancellation request must be received by Carver at least three (3) business days before the Transfer is scheduled.
 - 2) If customer requests Carver to cancel a scheduled Transfer three (3) business days before the Transfer is scheduled, and Carver fails to cancel the Transfer, Carver will be liable for Customer's losses or damages.
7. **Notice of Varying Amounts:** If any periodic payment's transfer amount differs from the Total Transfer Amount listed above, Carver will notify the Customer on the Customer's periodic statement, if required by law, ten (10) calendar days before the payment differing from the Total Transfer Amount is to be deducted.
8. **Cancellation/Change:** This Authorization will remain in full force and effect until it is cancelled or changed by Carver or Customer. If a cancellation or change is requested by the Customer, such request will be processed by Carver and become effective within a reasonable period of time (not to exceed seven (7) business days from receipt of the request). Any changes by Customer to this Authorization must be made by submitting a new authorization form.

Carver may cancel or change this Authorization, except for the Transfer Amount, for any reason, and at any time. If Carver cancels this Authorization, such cancellation may take effect immediately. If Carver changes this Authorization, Carver will provide reasonable notice to the Customer of said change and opportunity to opt-out. Cancellation or change by either party will not affect Customer's obligations under the Loan or LOC. Customer understands and agrees they must continue to make payments on the Loan or LOC by other means until the debt has been repaid in full.
9. **Agreement and Acknowledgement:** By signing below, Customer (a) agrees to the terms of this Authorization, (b) is authorizing Carver to make the Transfer Amount at the time and frequency as indicated above and to charge the Account for the Transfer Amount and all applicable Transfer and Account fees, including but not limited to, late charges, insufficient funds fees, unpaid fees and any other amounts required under the terms of the Loan or LOC, and (c) agrees that the Transfer will be governed by applicable deposit account rules, fee schedules, and any other applicable agreement and disclosures for the Account.

If the Account is a business account, the undersigned Authorized Signer on behalf of the business also represents and warrants that (a) all the necessary organizational action has been taken to provide the undersigned the authority to: (i) serve as the Authorized Signer, (ii) execute and deliver this Authorization, (iii) accept the terms and conditions of this Authorization and other related documents, and (iv) request and/or contract for the services selected in this Authorization, and (b) such Authorization and acceptance is not prohibited by its organizational documents or otherwise.
